DEFAULT JUDGMENT

UPON the motion made by the Plaintiffs for default judgment pursuant to Rule 210(1) of the *Federal Courts Rules*, SOR/98-106;

AND UPON reading the Plaintiffs' motion record and hearing counsel for the Plaintiffs on December 9, 2024;

AND CONSIDERING the Order of Associate Chief Justice Jocelyne Gagné (as she then was) dated July 4, 2024 authorizing substituted service of documents upon John Doe 1 by e-mail at the addresses support@soap2day.net; hjndbl@gmail.com; and pay@soap2day.xyz, and to any additional contact information identified by the Third Party Respondents to that Order pursuant to paragraph 4 and/or 5 of that Order;

AND CONSIDERING the affidavit of Julie Morin confirming the Plaintiffs' service of the Amended Statement of Claim upon the Defendants John Does 1 to 4 by e-mail and through online intermediaries;

AND UPON being satisfied that service of the Amended Statement of Claim upon the Defendant John Doe 1 was made pursuant to the methods for substituted service authorized by the Court on July 4, 2024;

AND UPON being satisfied that the Amended Statement of Claim has come to the notice of the Defendants John Does 1 to 4, as contemplated by Rule 147 of the *Federal Courts Rules*, and that service can be validated against all Defendants;

AND UPON being satisfied that, having regard to all of the circumstances, it is just to issue default judgment against the Defendants John Does 1 to 4 pursuant to Rule 211 of the *Federal Courts Rules*;

THIS COURT’S JUDGMENT is that:

1. Copyright is declared to subsist in the cinematographic works listed in the tables set out in Schedule 1 of this Judgment [Plaintiffs’ Works], and the said copyright is owned by or exclusively licensed to the Plaintiff specified for each table;
2. The Defendants John Does 1 to 4 are declared to have:
 - (a) communicated the Plaintiffs’ Works to the public by telecommunication, identified on a per-Defendant basis in Schedule 1;
 - (b) authorized the communication of the Plaintiffs’ Works to the public by telecommunication, identified on a per-Defendant basis in Schedule 1; and
 - (c) made the Plaintiffs’ Works available to the public by telecommunication in a way that allows members of the public to have access to them from a place and at a time individually chosen by them, identified on a per-Defendant basis in Schedule 1;

consequently infringing the Plaintiffs' copyright in the Plaintiffs' Works, in contravention of ss 2.4(1.1), 3(1)(f) and 27(1) of the *Copyright Act* RSC, 1985, c C-42;

3. The Defendants are permanently enjoined, by themselves or by their employees, representatives and agents, or by any company, partnership, trust, entity or person under their authority or control, or with which they are associated or affiliated, to immediately disable the online motion picture and television content infringing platforms under the brand "Soap2day" identified at Schedule 2 of this Order [Soap2day Platforms], and from directly or indirectly:
 - (a) transferring access, control or custody over the assets and infrastructures of the Soap2day Platforms, including their hosting servers and domains names, to any third party;
 - (b) developing, operating, maintaining, promoting, or providing support to the Soap2day Platforms, or any other similar platform;
 - (c) operating, accessing maintaining, updating, hosting, or promoting the Internet domains and subdomains from which the Soap2day Platforms are directly or indirectly made available, including the Internet domains listed at Schedule 2 of this Order, or any other domain, subdomain or website hosting, promoting, or providing similar services;

or otherwise:

- (a) communicating the Plaintiffs' Works to the public by telecommunication; or
- (b) making the Plaintiffs' Works available to the public by telecommunication in a way that allows members of the public to have access to them from a place and at a time individually chosen by them.

4. The following additional declarations are made:

- (a) the Defendants' infringement is blatant, in bad faith and for commercial purposes, and the Defendants' behaviour leading to and during the course of this proceeding has been reprehensible; and
- (b) statutory damages, elected by the Plaintiffs in this case, would be insufficient to achieve the goal of punishment and deterrence. The Defendants' repeated, unauthorized, blatant, notorious and intentional misconduct, and their callous disregard for the Plaintiffs' rights, is deserving of the penalty of punitive damages and of an increased cost award;

5. The Defendants shall pay to the Plaintiffs forthwith:

- (a) John Doe 1: \$6,080,000 as statutory damages pursuant to s 38.1 of the *Copyright Act*;

- (b) John Doe 2: \$5,820,000 as statutory damages pursuant to s 38.1 of the
Copyright Act;
- (c) John Doe 3: \$5,840,000 as statutory damages pursuant to s 38.1 of the
Copyright Act;
- (d) John Doe 4: \$4,520,000 as statutory damages pursuant to s 38.1 of the
Copyright Act;
- (e) \$1,000,000 as punitive and exemplary damages, for each of the Defendants
John Does 1 to 4;
- (f) Costs in the form of an all-inclusive lump sum, fixed in the amount of
\$400,000, for which the Defendants John Does 1 to 4 are jointly liable.
